

Are you an experienced Management Accountant looking for an exciting opportunity to be part of a growing company?

We are currently seeking a talented individual to join our finance team as a Management Accountant at our Head Office in Enniskillen, Northern Ireland.

Role Overview:

As a Management Accountant, you will play a crucial role in supporting our finance team by handling various accounting tasks, including the compilation, consolidation, and analysis of financial data in our day-to-day activities.

Your responsibilities will include preparing management accounts for our growing Limited company, conducting quarterly stocktakes, and working closely with our Senior Office Manager.

Key Responsibilities:

- Preparation of monthly management accounting
- Operational finance including: accounts payable/receivable review & management & bank reconciliations
- Preparation of financial statements under applicable reporting standards
- Involvement in period/year end close processes
- Financial Planning and Analysis
- Providing backup & support to finance team members

Skills & Experience

ACA, ACCA, CIMA or equivalent qualified

Experience in a manufacturing industry.

-Holds a recognized accounting qualification (ACA, ACCA, CIMA) with 1-3 years PQE.

-Demonstrates strong knowledge and application of accounting standards.

-Possesses excellent Excel skills with the ability to understand complex models and analysis.

-Has prior experience in the manufacturing sector and assisting with forecasting, budgeting, and divisional performance reporting.

-Is highly motivated, capable of working independently and as part of a team.

-Possesses strong interpersonal and communication skills, fostering effective collaboration.
