

Tracey Concrete are recruiting for **HGV Class 2 Lorry Driver & Crane Operator**:

Job Description:

We are seeking an experienced and reliable **Precast HGV Class 2 Driver & Crane Operator** to join our team. The role will involve transporting precast concrete products to various construction sites, ensuring timely delivery, installing & fitting onsite and maintaining high safety standards.

Key Responsibilities:

- **Transporting Materials:** Safely transport concrete products to designated sites.
- **Vehicle Operation:** Operate a Class 2 HGV (Heavy Goods Vehicle) following all legal and safety requirements. Ensure the vehicle is properly maintained, including routine checks and inspections.
- **Loading and Unloading:** Assist in the loading and unloading of materials (when required) using appropriate lifting equipment and ensuring that the load is secure and properly distributed.
- **Installation of products onsite:** Offload precast concrete products with lorry mounted crane and fit to suit requirements of customer. (Precast concrete cattle slats)
- **Route Planning:** Plan and follow safe and efficient routes, taking into consideration site conditions, delivery deadlines, and traffic constraints.
- **Customer Interaction:** Maintain a professional relationship with customers on-site. Provide timely and clear communication regarding delivery times, delays, or any issues.
- **Health and Safety Compliance:** Adhere to all health and safety regulations, particularly in relation to the transportation of heavy or fragile materials. Complete daily vehicle checks, reporting any faults or issues promptly.
- **Paperwork and Reporting:** Complete all necessary documentation, including delivery notes, vehicle inspection records, and other required logs in a timely manner.

Key Requirements:

- **HGV Class 2 License:** Valid UK Class 2 Heavy Goods Vehicle license with no major endorsements.
- **CPC Qualification:** Valid Driver Certificate of Professional Competence (CPC).
- **Experience:** Previous experience driving a HGV, particularly in the transportation of heavy goods or construction materials is preferred. Experience with precast products is a plus.
- **Physical Fitness:** Ability to lift heavy items and assist with loading/unloading of materials.
- **Good Communication Skills:** Ability to communicate clearly with the team and clients, maintaining professionalism at all times.
- **Attention to Detail:** Strong awareness of load securing, health and safety regulations, and compliance with road laws.
- **Location Knowledge:** Familiarity with the local road network and any specific delivery challenges in the area.
